

Business Benefits:

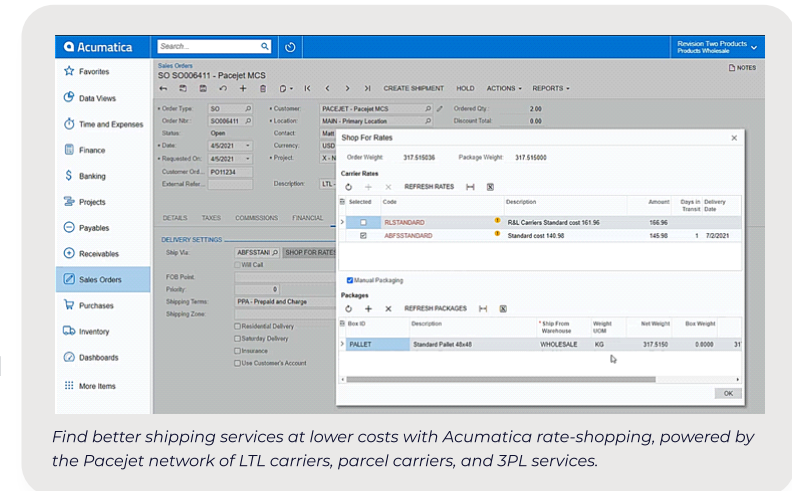

- **Reduce shipping labor 80%** with less manual processes and complete integration to parcel and freight carriers
- **65+ integrated carrier choices** for parcel, LTL, and 3PLs with regional parcel carriers like OnTrac
- **Find better carriers at 30% lower rates** with smarter rate-shopping by price, transit-time, class of service groups, or other criteria
- **Ship with 99% accuracy** using scan-pack order verification to efficiently ensure the integrity and completeness of each order

Pacejet Fully Connected Shipping Built and Fulfilled by Acumatica

Pacejet delivers better Acumatica packing and shipping that helps you stand out from the competition while scaling up more profitable distribution. With features to reduce labor by 80%, ship with 99% accuracy, and reduce rates by up to 30%, Pacejet improves, completes, or expands nearly every aspect of your Acumatica pack and ship workflows.

Offering shipping solutions that give you an edge

- **Experience a native integration** with the only multi-carrier shipping software Built and Maintained by Acumatica
- **Grow export sales** with item-commodity setup, export paperwork, electronic filing, and new parcel carriers like DHL eCommerce
- **Scale fulfillment affordably** by adding integrated 3PL services to your warehouses
- **Say yes to customer shipping requests** with features like automatic use of customer carrier accounts and default accessorial preferences
- **Expand Amazon sales** with pack and ship integration for seller-fulfilled Prime
- **Accelerate distribution plans** with complete freight support to pack pallets, rate, ship, and print bill of lading for LTL or 3PL
- **Control retail shipping compliance** with tools for efficient scan-packing order verification, packing data capture, and compliance labeling
- **Streamline pack and ship workflows** with configurable automation scenarios

Find better shipping services at lower costs with Acumatica rate-shopping, powered by the Pacejet network of LTL carriers, parcel carriers, and 3PL services.
